2019 August Newsletter - *Updated on 08.18.2019 (1 page)

Dear Kettle Creek Owner and Resident:

BACK TO SCHOOL ANNOUNCEMENT

.... School has begun for some children as of August 12th

This is how we all can assist in keeping the children in our neighborhood SAFE during the school year

....

Times to be watchful for children

There are children in our neighborhood who attend schools in other Districts, not just District 20. The bus pick up and drop off times do vary because of that.

Pick up ranges from 7:15-8:15am

Drop off ranges from 2:30-4:30pm

If your child(ren) PU/DO time is not included above, please email me at: candilynn2010@gmail.com and I will update this section.

When the Bus Flashers are ON

Please remember that you **MUST** stop your vehicle and then wait for the bus driver to turn off the flashers.

DEAF CHILD SIGNS

There are 2 of them on Black Elk Way

Main Bus-stop

Rhinestone Dr & Looking Glass Way

Please see your District 20 bus schedule for the Elementary through HS Pick up and Drop off times for this location.

Driveway Pick up/Drop off

Some children are picked up in front of their home. The Transportation office makes an attempt to have the children load without crossing the street. It's not always do-able in some situations. Please watch for these kids.

The 2019-2020 School Year Vacation Schedule

There are other *No School Dates* but it's difficult to cover all the districts ... the focus here will be the main breaks.

Thanksgiving:	November 25-29, 2019
Winter:	December 20, 2019 - January 06, 2020
Spring:	March 23-27, 2020
Memorial Day:	May 25, 2020
Tentative Last Day for District 20:	May 29, 2020

I hope all of you have had a wonderful summer!! ~ Candace Thompson -- KCHOA President
